

Beautify PA SAFELY

Traffic Safety

- Carpool to the beautification site.
- Park all vehicles clear of the road.
- Work only during non-peak travel times.
- You are not allowed to work on or around holidays because of heavier traffic volumes.
- Avoid construction sites, maintenance sites, tunnels, bridges, and overpasses because of reduced visibility in these areas.
- Always work in groups.
- Always work on one side of the road at a time. Do not split the group between the two sides of the road.
- Always face oncoming traffic.
- Do not walk out into lanes of traffic.
- Do not pick up litter on the highway, in the median, or close to the edge of the road.
- Try to stay on the roadside and off nearby private property.
- Do not wear headsets or listen to any audio devices while at the site.
- Cell phones are only to be used in the event of an emergency.
- No horseplay, i.e. do not do anything that could distract passing drivers or other volunteers.

Remember: Stay Alert!
