ISGVF Updates

2016 Donation Receipt letter

ISGVF will be mailing out the donation receipt letters for the year 2016 by the end of January. This will be sent to only those members and donors of the community who donate using our monthly ACH plan. Other people should've already received ISGVF receipts based on their individual cash/check donations during the past year. If you don't receive this letter by the 2nd week of February, let us know by sending an email to council@isgvf.com. ISGVF Executive Council and Board members would like to thank everyone for their support in meeting the ISGVF expenses and helping in maintaining the facility to better serve the community. May Allah (SWT) reward everyone in this life and Hereafter, Ameen!

ISGVF ACH and Membership Drive

Your active participation creates a voice which can make a difference. Please sign up to become an active volunteer member to help in managing the Society's affairs if you have not done so already. You can also sign up for monthly ACH donation that authorizes ISGVF to withdraw donations directly from your bank account or credit/debit card account. Another option is through the self-service credit/debit card machine located at the main masjid's lobby. Please note that being a donor does not automatically sign you up for ISGVF membership. For that, you need to submit the membership form separately. Your generous donations support ISGVF monthly expenses like electric, water, heating, insurance, cleaning supplies, lawn care, and property maintenance and repairs.

Please refer to the links below for additional details:

Interested individuals can register directly with the hosting organizations.

Isa alaihi assalam will respond:

"Glory be to you, Allah! It was not for me to say that which I have no right. If I had said such a thing, surely you would have known; for you are the All-Seeing and the All-Knowing.

I have said nothing except that which you have commanded of me. That is 'Worship Allah, my Lord and your Lord!'

While I was among them, I was a witness over them. But when you, Allah, raised me from the Earth, YOU were the watcher over them, YOU were and have always been the witness of all things"
